**SURGERY DATE:** \_\_\_\_\_ **ARRIVAL TIME:** \_\_\_\_\_  
 (Arrival time is tentative until confirmed by surgery center staff the day prior to your surgery)

- PRE-OP EYELID WASHES:** 3 days before surgery, mix water and a few drops of baby shampoo on a wet wash cloth. Gently cleanse eyelids and eye lash area for 2 minutes, 2-3 times per day. Rinse well. *This is only necessary on the eye scheduled for operation.*
- FOOD:** DO NOT eat or drink after midnight the night before your surgery unless otherwise instructed.
- BATHING:** Bathe or shower and wash your hair as you normally would. NO facial make-up. When brushing your teeth, do not swallow the water.
- CLOTHING:** Wear comfortable clothing which allow for easy access for heart monitoring. NO Pantyhose. NO jewelry or valuables. You may wear your dentures, hearing aids and glasses day of surgery. Please do not wear contact lenses.
- MEDICATIONS:** Take any medications needed EXCEPT "Blood Thinners" the morning of surgery. Take with a small sip of water. Contact your PCP regarding discontinuance of prescribed aspirin or blood thinners.
- TRANSPORTATION:** A friend or relative will need to drive you to and from the office the day of your surgery. They will need to remain on the premises while you are in surgery. Plan on being here 2-3 hours. Limit 2 visitors per Patient. You will need someone to stay with you for the first 24 hours after surgery.
- All drops will be continued after surgery. No lifting over 20lbs and avoid bending at the waist for the week following surgery. You will be given post-op instructions after surgery and on your one day post-op visit.
- We are happy to be of service to you and hope this will be of assistance in making your surgery experience convenient.
- Please contact the Heritage Surgery Center at 972-548-0771, if you have any further questions.
